INSTRUCTIONS FOR SEMEN SPECIMENS

✓ VASECTOMY PATIENTS

A. If you had a vasectomy and this is the first semen test, collect the specimen in the cup and bring it to the next office visit. It will be sent to a lab for analysis.

B. The second semen specimen goes directly to the lab. You don't need to come to the office.

C. If this is a 6 month or 1 year follow up semen test bring it to my office only on a Tuesday or Friday between 1:00PM and 4:00PM. Please call ahead to make sure that I am in the office.

✓ VASECTOMY REVERSAL PATIENTS

Bring the specimen to my office only on a Tuesday or Friday between 1:00PM and 4:00PM. Please call ahead to make sure that I am in the office.

INSTRUCTIONS FOR BOTH TYPES OF PATIENTS

Collect semen by masturbation in a specimen cup and put it in a plastic bag. Get specimen to the lab or my office within 2 hours.

**MAKE SURE THE CUP IS IN A PLASTIC BAG.
MY STAFF WILL NOT ACCEPT IT OTHERWISE.**
